**'Securing the Future'**

## **St Deiniol's is Britain's finest residential library and its only Prime Ministerial library but we need your help now to secure its future.**

Despite attracting more people than ever before, the last two years have posed severe economic challenges to St Deiniol's Library. We, like most institutions, have had to cut costs and return to our core values. Hard decisions have had to be taken to secure the future of this unique institution. St Deiniol's has relied on investment income from previous generations to subsidise rates for clergy and scholars but the current recession has depleted this vital source of revenue.

It now falls to us - the present generation of users and custodians of Gladstone's generous gift - to secure its future. We are asking everyone who has benefited from the Library to consider making a regular gift so that we can make the collection accessible to all and keep Gladstone's vision of a residential library alive and well in the twenty-first century.

We are tremendously grateful to all those who have supported us so loyally with their time and money over the years. We now need 'Friends' who will give us a regular, if possible monthly, contribution to help replace the dwindling reserves of past generations and to enable us to carry on developing and improving our collections, our programme of courses and our facilities.

### **The Benefits of Regular Giving**

Supporting the Library through regular donations by Standing Order helps us to plan ahead and enables you to give quite large sums through quite modest monthly, quarterly or yearly contributions. As St Deiniol's has charitable status, we can reclaim tax on all donations made through the Gift Aid Scheme.
